

Dear Race Promoter,

Husqvarna Motorcycles NA is excited to extend to you an invitation to be included in the 2013 Race Contingency Program! HMNA has offered a generous race contingency program over the past several years and we would like to maximize the potential of the program for 2013. However, to make the program the best it can be we will be making some changes.

In order for a race series or event to be considered for our program next year we are asking for certain criteria to be met.

- Racing Series and Events should have a properly functioning website and be updated on a consistent basis.
- Racing Series and Events should show a CI approved Husqvarna Motorcycles logo on the Series/Promoter website. (Logos can be found at <http://www.husqvarna-motorcyclesna.com/logo.php>).
- Racing Series and Events should have a link to the Husqvarna Motorcycles Race Contingency page on the Series/Promoter website. (The link to this page is <http://www.husqvarna-motorcyclesna.com/contingency.php>).
- Racing Series and Events should have a properly functioning scoring system which allows immediate and accurate posting of results to the website. Racing Series/Events must have regularly updated results pages on their website.
- Racing Series and Events should have results posted in a central place on the Series/Promoter website which also lists the riders' manufacturer.

Racing Series and Events that do not meet the above criteria will be reconsidered as part of the program and possibly removed. We want to extend to your series the benefits of our Multi Million Dollar Contingency Program, so please help us make this possible. The 2013 Race Contingency Program will be revised and released in September 2012. However, Race Series and Events will have until December 31<sup>st</sup>, 2012 to accomplish the above and be considered for the 2013 program. No series will be added after December 31<sup>st</sup>, 2012 for the 2013 program. Once you have completed the above requests, please notify us by emailing Jenna Parker at [jenna.parker@husqvarna-motorcyclesna.com](mailto:jenna.parker@husqvarna-motorcyclesna.com).

HMNA would like to support as many Race Series and Events as possible, but we ask in return that you support us. If there is anything we can do to help your series further in addition to posting huge contingency awards, please let us know. If you have any questions at all please contact us. May you have a successful and exciting race season ahead of you!
