Team B riders will start on Amateur Line with **BLACK # WITH YELLOW BACKGROUNDS AND THE LETTER T**, Team C will start on Novice Line with **WHITE # WITH GREEN BACKGROUNDS AND THE LETTER T**. Also Pee Wee A is a recognized class by the USRA. They will need to buy a transponder and sign up for the USRA Membership or buy a day pass. PeeWee A will be riding a more advance course than the Pee Wee B class. Mini women amatuer/novice tire size needs to be 19" front, 17" rear.

Do not mail in transponder or USRA payment! You will pay for your transponders and membership/day pass at sign-ups. We do not accept credit cards.

Rhino Rally 2021 Wizard/BLM concerns: (Please honor the BLM rules or you will be asked to leave. Help preserve the race for everyone)!

#1- There will be a **limit of 300 big bikes. No Exceptions!** The BLM will be there counting. This does not affect the mini or pee wee riders. If we reach the 300 bike limit, all extra entries will be put on a waiting list. (Your check will not be cashed unless you have a spot). We will help racers who drop out sell their spot to the next entry on the waiting list.

#2- There will be **NO PLAY RIDING!!!** This means the only transportation allowed in the pits will be the race machines going to and from the start. **NO ATVs/UTVs allowed!** Don't even bring them. This means **ONLY RACERS BRING THEIR BIKES!!!** We can lose our race privilege if the rules are not followed. We will disqualify racers if their families do not follow the rules. After the pee wee and mini racers are finished, **PUT THEIR BIKES AWAY!** No play riding or riding their bikes to the Big Bike start after their races! It is very important that these rules are followed. This will affect the future of the Rhino Rally!

#3- Spectator parking will be clearly marked on the approach to the pits. Only racers and their support vehicles are allowed on **PIT ROW**. All others must park in the spectator area. All roads allowing access to the race course will be closed during the event. Recovery of broken machines will **NOT** be allowed until the course is closed.

#4- The possibility of spreading noxious weeds is a concern to all of us. The BLM asks that all machines arrive in a clean manner. Before leaving the race site, you must remove all accumulated brush, grass, etc. to avoid transporting the seed to other areas you ride.

#5 - All dogs must be on a leash. Also, PLEASE DO NOT LET LITTLE CHILDREN RUN AROUND UNATTENDED!!!

#6 - MASKS ARE REQUIRED! BRING THEM, WEAR THEM!

#7 - PARKING: No vehicle parking near sign up tables. Spectator parking will be clearly marked prior to pit row. Only riders and one support vehicle will be allowed on pit row. Once parked on pit row, the vehicle is not allowed to leave until the race is over.

Please makes check payable to **Wizard's M/C**. Mail-in deadline is **2/18/2021** (this does not guarantee a spot).
